Household Insurance – Insurance companies have an agreement that if you have two policies covering the same circumstances, each company will split the cost of the claim between them. It is a condition of your policy that you advise us if you have any other policies that have potential cover elsewhere. It is unlikely that you will lose any ‘no claims bonus’ attached to your policy but if you have any concerns we suggest you contact the relevant insurer. Even if you do not own the house you are living in, you may still be covered under any household contents insurance policy and you must supply us with this information.
